

TPAC 2011

Photo Guide

March 6-8, 2011
River Rock Casino Resort
Richmond, BC

The background features several thick, vibrant green curved lines that sweep across the page from the left and bottom edges towards the right. These lines are smooth and continuous, creating a sense of movement and organic flow. They vary in curvature, with some being more horizontal and others more vertical, all contributing to a modern and clean aesthetic.

A decorative graphic consisting of several overlapping, thick green circular lines that form a complex, interlocking pattern. The lines are a vibrant green color and are set against a plain white background. The pattern is centered on the page and frames the central text.

Memories

A huge thanks to all of our exhibitors,
sponsors and delegates. We couldn't do it
without you and a special thanks to Sage
for all of their support!

SAGE ACCPAC

Thanks for attending!
